PLACEMENT AND TRAINING

Interview Lab

A teacher-led interview classroom for engineering, MBA, polytechnic, and degree students. Faculty run live sessions; students work through psychometric modules, HR and technical rounds, group discussion, and scored mocks.

Typical campus specification

Typical seats	Licensed 10 / 20 / 30 / 40+ student seats for a live period
OS	Windows 10 or 11 (64-bit) on trainer PC and student PCs
Headphones	USB Multimedia headset with microphone for spoken rounds
LAN	Campus Ethernet preferred; college Wi-Fi supported for discovery
Internet in class	Not required. Apps run on the campus LAN
Server	Digitech classroom server on a lab or faculty Windows PC
Licensing	Per-seat, per-lab commercial licence on the campus server

What a deployment includes

- Trainer dashboard: roster, online seats, readiness scores
- Psychometric, personality, HR, and technical modules
- Mock interview and group discussion sessions
- Per-student reports for faculty after the period
- ATS-enabled resume and cover letter for students after trainer clearance
